2010

For ordering information please visit us on the web at www.tgdcharts.com where you will find the photos and more information on the items listed below, as well as our order form.

Currently we do not offer full kits for our designs. But to make your shopping experience a little easier, we do offer fabric and embellishment (bead and specialty fiber) packs for *some* of our designs. The bead and fiber packs are listed separately, so you can order just what you need.

Prices are subject to change without notice.

Note: Unless otherwise specified, the designs also use DMC Embroidery thread, which are NOT included in the Specialty Fiber Packs.
